ADVENTURE WALK

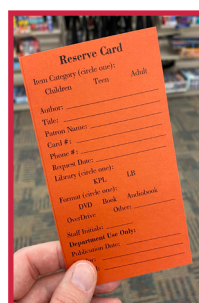

This is an important Valentine's day for Groggle. He must give his "beast" friend in the entire world the perfect card. But his monster appetite keeps getting the best of him. Will he be able to give his best friend a Valentine's Card? Bundle

up and take a walk while you read **Groggle's Monster Valentine** by Diana Murray. Everyone will enjoy this comical story and its timeless message!

The Walk in Rome City starts at Grant Park and goes along the Kelly Park. In Kendallville, the walk starts at the front of KPL and then continues in a loop around the library through the west side of Bixler Lake Park. Maps are available here: <http://kplib.org/AdventureWalk>.

Request an Item for Library Purchase

Did you know that we have a form specifically for your requests? We call it an "Orange Card" (because we print it on orange paper), but you can call it anything you want! The important thing is that you know it is available any time you want to request an item that we don't have.

Here are a couple of scenerios where these might be beneficial to you.

- There is a new book out, but the Kendallville Public Library doesn't own a copy. Other Evergreen Indiana libraries do, but because it is a new item, there is a 6 month wait before it can leave its home library. Request the book!
- You're looking for a DVD, but not only is it not available at the Kendallville Public Library...it can't be found anywhere within the Evergreen Indiana consortium. Request it!

We purchase as many of these requests as possible, but please understand that sometimes an item is out of print or rare, and the cost to purchase it might just be too great to justify the use it will get. But it never hurts to ask!
