Meet Libby

You may have noticed that OverDrive is no longer available in any app store. OverDrive will now be converted to Libby. Libby was created by

OverDrive and will still allow you to borrow ebooks, digital audio books, and magazines from the Kendallville Library. We are excited for this change because Libby was designed to make it even easier to find, borrow, and enjoy free digital titles! If you have any questions please contact the library.

Welcome to the Library

Kim Marti, KPL's new Business Manager, was born and raised in Kendallville. She has worked in accounting departments most of her life. Kim enjoys spending time with her two adult children and three grandchildren. She also enjoys spending time quilting, gardening and reading. We are excited for Kim to be a part of our KPL family!

Our new Circulation Associate, Megan Benjamin, wanted to work at the library because it is where she found her love of books. Her favorite genre of book is fantasy. Along with reading, Megan enjoys drinking coffee, spending time with her family and her dog. We cannot wait for our patrons to get to know Megan!

You may recognize Brittany Logsdon, KPL's new Adult Services Associate. Brittany has worked in our adult department before and has decided to return because she enjoys the unique programs the library offers! Brittany is also a first grade teacher and enjoys walking her chocolate lab, Piper. Welcome back Brittany!

Catch the spirit. Share the Vibe.
