Fitness Programs at the Library

Did you know the Kendallville Library offers a variety of workout programs for FREE? Adults are welcome to come to Yoga, Barre and Pound exercise classes. And we are now offering a Family in Motion class! This class will be a fun filled hour of movement and games for all ages.

Instructor Dawn O'Bran has been leading Pound for 6 years. She wants everyone to know that it is an exercise for every age at every stage! Pound is a choreographed routine that involves green drumsticks that become your tool to become a part of the music. If you love music and are looking for a new way to engage in movement, you will love Pound!

Yoga and Barre classes are taught by instructor Brittany Leath. "My classes can be modified for all levels, especially Barre. It's important for people to listen to their bodies and I encourage people to do that throughout class. I encourage all patrons to sign up for something new and find a fun challenge, even if it's not one of the fitness classes."

If you are interested in any of these classes, visit our website to register. You will also find this month's dates on page 7 of the newsletter. We are excited for you to join us!

1000 BOOKS BEFORE KINDERGARTEN

Congratulations Theo Polly for reaching the half-way point and reading 500 books! Keep up the hard work!

The youth services department has made it even easier to complete this challenge with your child! You can now pick 10 books of your choice to read and then check off a box in your booklet instead of checking out one of our 1000 Books Before Kindergarten bags. We will still have our 100 bags, that contain 10 books and activities, available for checkout. If you are interested in this program, stop by the library to pick up your booklet and get started reading today. Remember that you earn prizes as you complete your booklet!

Pick Up Seeds and Get Growing!

Let us help you start your garden! You can find a Seed Library at the Kendallville Library and its Limberlost branch in Rome City. The Community Learning Center also has one!

To get your hands on some seeds, just pick out what you’d like, fill out the spreadsheet (so we can see how many seeds get used), and grow! If you can, donate seeds back after you take in your harvest.
