Pick Up Seeds and Get Growing!

National Library Week

Let us help you start your garden! You can find a Seed Library at the Kendallville Library and its Limberlost Branch. The Community Learning Center also has one!

To get your hands on some seeds, just pick out what you'd like, fill out the spreadsheet (so we can see how much the

seeds get used), and grow! If you can, donate some seeds back once you take in your harvest.

We are kicking off National Library Week with a way you can show us support - by visiting the Library and playing BINGO!

Pick up a BINGO card beginning April 1st at the Kendallville Public Library or its Limberlost Branch. The first 100 people to complete their BINGO card will win a Kendallville Library tote bag!

OK, now here's the fine print: you must have a library staff member initial each BINGO square after it is completed. There will only be one bag awarded per person. This event will run from April 1 - April 9.

1000 Books Before Kindergarten

The youth services department has made a few changes to this literary journey. You can now check out any 10 books of your choice to read! Our 100 bags, that contain 10 books and activities, will still be available for checkout.

If you are interested in this program stop by the youth services department to pick up your booklet and get started reading. Remember that you earn prizes as you complete your booklet!

Support the library while you shop!

amazonsmile

Go to smile.amazon.com. When prompted, select Foundation for the Kendallville Public Library as the beneficiary. Then shop as usual! A percentage of your purchase price will be donated back to the library, at no additional cost to you.

Staff Spotlight

Teresa Boszor, Technical Services Assistant

"Going from patron to employee at the library was an easy transition for me because the library was already like a second home. The library has been a wonderful blessing in my life and my home schooling journey. Not only that, but I have made some wonderful friends visiting the library. Now as an employee, I am honored to be a part of helping the library impact people's lives."
