

Library News & Events

Your Access to Information...for Life!

Welcome to KPL Mary & Katie!

Mary Graber, KPL's new Youth Services Manager, grew up in Grabill and is the oldest of three siblings. She now lives in an old farmhouse near Butler and calls herself a "collector of hobbies." She has tried all kinds of things including blacksmithing, weaving yarn, crocheting, oil painting, gardening and more.

"I've worked in public libraries for a big portion of my life," said Mary. She started out as a volunteer at her local library, ended up with a job there and is now working on her master's degree in library science. "I thoroughly enjoy working in public libraries. I can't wait to see what fun things the youth services staff and I will do here at the Kendallville Public Library."

Katie Woodward has joined the library as Marketing Specialist. She is a 2011 East Noble graduate, who then earned a degree in Telecommunications from Ball State University.

She has a husband, Ben, and two young daughters, Molly (3 yrs. old) and Sarah (6 months). The family loves to go fishing and be outdoors. In fact, they have a family cabin in the Upper Peninsula of Michigan where they like to spend as much time as they possibly can. "My dad built the cabin in 1993," said Katie. "It is a really special place." Katie's three year old loves the library and has been asking to go with her every day! Much like her daughter, "I can't wait to be a part of the library family!"

Read 100 Books Before High School for Future Success!

Middle School students can get started now building for their future! The 100 Books Before High School program is available now for students in grades 6-8. It was created because reading is essential and it is a great way to build a solid foundation for everything else that you will do. Believe it or not, the more you read, the more likely you will be to succeed in high school, in college and into adulthood.

This program is an easy way to keep track of all the books you are reading in class and on your own. There aren't any rules for what you can and can't read, but you should try to read at your level. There isn't a rush; this program is meant to take years to complete...not months. So take your time!

Students can pick up their booklet at the Kendallville Public Library any time. As a bonus, for every 10 books you read, you can pick out a reward.

Plus, don't forget about our 200 Books Before Middle School program, open to upper elementary students in third grade and up.

Construction Underway for Salt Water Aquarium

Ronnie Kline (left) and Steve Kline (right) of Kline Builders work with KPL Maintenance Manager Mark Thaler (center) on plans for the 171 gallon Salt Water Aquarium.

Work has started on the library's Salt Water Aquarium that will become home to a large variety of fish, invertebrates and corals! Construction has been underway for some time, as KPL Maintenance Manager Mark Thaler has been working behind the scenes to run water lines to the Youth Program Room where the tank will be located. He's also retrofitting a cabinet to hide the aquarium's water storage tanks.

The aquarium will run by Reverse Osmosis. Water will mix with salt and then be stored in the tanks, which will then cycle clean salt water through the aquarium, keeping the residents happy and healthy.

While you'll be able to see progress on the tank happening now, there won't be any fish and corals until sometime in December. Why so long? It takes some time to achieve the correct temperature and balance for the fish. The tank will be stocked with a variety of fish (including fish just like Nemo and Dory), invertebrates and corals. Over time, we will be able to watch all the creatures continue to grow!

It's important to note that we will strive to use only aquaculture raised (farm) livestock. It's better for the environment. A very small percentage may be wild caught by sustainable methods and purchased from reputable, licensed sources.

We'll keep you posted on the progress via social media. If you don't already, be sure to follow us on Facebook and Instagram!

What's App?

Mobile KPL App: My Library Card

Apps have become the way we conduct much of what we do on a daily basis, and using the library is no different! The Mobile KPL app is a great shortcut for many library services, but one that is often hard to keep track of...your library card.

Once you log in to your account on the app, the My Library Card feature becomes active. Can't find your key chain card? Changed wallets and left out your library card? No problem! Just pull out your device, open the app and click on My Library Card. It pulls up your barcode, our staff can scan it, and you are on your way.

The Mobile KPL app is free for iOS or Android devices. Just download it from your app store! One section that is always changing...Featured Items! See some of the latest books available at KPL featured in the app.

Staff Spotlight

Wendy Staton, Customer Service Associate

"I love working here because of the lovely people I work with + new books we get in every month!"

Coming up next on the Adventure Walk...

Everything I Need to Know I Learned from a Little Golden Book is a humorous guide that offers advice for getting the most out of life. Drawn from beloved classics, important lessons such as "Remember to stop and smell the strawberries," and "Be a hugger" are paired with iconic images. When you start on your Adventure Walk, be sure to scan the QR code at the first station and sign in. You will be entered to win a

special gift from KPL!

The Adventure Walk in Rome City starts at Grant Park and runs along a walkway to Kelly Park. In Kendallville, the walk starts at the front of the Kendallville Public Library and then continues in a loop around the library through the west side of Bixler Lake Park. Maps are available here: <http://kplib.org/AdventureWalk>.

Many Cortex Projects...Just One Month!

Cortex Projects are for all ages, and usually we have one at a time available at both library locations. However this month, we're mixing it up! We will have a variety of surprise projects available all month long, so stop in when you like and find out what we're creating that day. You might even get to choose! Request a kit, and head to The Cortex at the Kendallville Public Library or the designated area at the Limberlost Branch and create with your kit. It's fun for everyone, and you get to keep what you make! Oh, and did we mention it's always free?

FREE Adult Events at the Community Learning Center, in partnership with the Kendallville Public Library

Euchre Tournament @ Community Learning Center Tuesday, November 2 at 6:00 p.m.

Play Euchre with the Kendallville Public Library for prizes at the Community Learning Center! Sign up in pairs, or as a single and we will match you with a partner.

Fall Bead Corn

November 1 through November 5 • KPL & LB

Youth in grades K-12 are invited to stop by and create a fall bead corn project. This program is free and available this week from November 1-5 while supplies last. A grab and go option will be available at the Limberlost Branch while supplies last.

Foam Hand

November 8 through November 12 • KPL

Youth in grades K-12 can stop by to decorate a foam hand. We'll have markers and sharpies available. This program is free and available this week from November 8-12 while supplies last. Please note: the library is closed on November 11 for Veterans Day.

Thankful Trees

November 15 through November 19 • KPL & LB

This week youth in grades K-12 are invited to stop by and create a Thankful Tree. We'll twist a paper bag into a tree shape and then write what we're thankful for on the leaves. A grab and go option will be available at the Limberlost Branch while supplies last.

Homeschool Adventures

Monday, November 1 at 1:00 p.m. • KPL

Homeschoolers of all ages are invited to join us as we explore the art of pointillism. We'll learn about the father of pointillism, Georges Seurat, and then try creating our own masterpieces. This program is free and no registration is required.

SparKits • KPL & LB

Monday, Nov. 15 beginning at 12:00 p.m.

SparKits are back! The Kendallville Public Library is providing these activity kits from the Early Childhood Alliance on the third Monday of each month beginning at noon. A limited number of kits will be available for babies and toddlers (first come, first served).

Dungeons and Dragons • Kendallville

Tuesdays, November 2, 9, 16, 23 & 30 from 5:30 to 7:30 p.m.

Fridays, November 5, 12 & 19 from 3:30 to 5:00 p.m.

Come play D&D each week! This is open to teens in grades 6-12, and is limited to 10 players.

Teen Pizza Party

Thursday, November 18

6:00 to 7:30 p.m. • KPL

Teens in grades 5-12 are invited to a Pizza Party! Munch on everyone's favorite meal and get to know each other. Registration is requested so we know how much pizza to get!
