

Adult Services Report:

Summer Reading Highlights:

- Over 2000 adult entries for grand prizes.
- Successful Family Programming.
- Great attendance for collaborative programs with the CLC including Meal Prep, Euchre, and the Tuesday evening Farmer's Market.
- Cortex Passive Programming continues to have increased sign-ins and usage.

Upcoming Programs of Note:

- Partnering with the Strand, CLC, and Friends to host a free screening of *Where the Crawdads Sing*. Look for an interesting and entertaining video starring library staff prior to the screening. Brittany Leath was a huge help in brainstorming and making sure we could meet a tight deadline.
- Picking up Library on the Road Field Trips by visiting Orchard Hill Farms and Merry Lea. (These are field trips for adults and were very popular last year)
- Looking into hosting a Star Party and themed parties especially at Rome City for all ages.

Collection Highlights:

- Focus on purchasing more ebooks and audiobooks to alleviate hold times for our patrons.
- Focus on purchasing additional copies of bestseller titles to lessen hold times for our patrons.
- Our art prints and legos continue to be two of our most popular collections.
